

*"Brothers and sisters,  
think of what you were  
when you were called.*

Not many of you were wise

by human standards;

not many were influential;

not many were of noble birth.

But God chose the foolish

things of the world

to shame the wise;

God chose the weak

things of the word

to shame the strong."

Catherine, Angelik, Abraham & Maxwell

Carolina and I met in Colombia, South America in 1996. God had been calling us both to missions. I was on a mission trip to Colombia when I met the pastor's daughter who would later become my wife! In the spring of 1998 I went with my dad to JESUS GO FEST at the Youth With A Mission (YWAM) campus in Tyler, Texas. It was there that I felt the call to attend a Discipleship Training School (DTS). While praying one day with some of the people in the DTS, the Lord showed me a

*vision of Catapult Missions.*

I felt it was to be in a central location  
and people would come there to receive  
*training, encouragement, and preparation*  
for being sent out into the nations.

## Catapult Missions

plans to build a  
training center in Montevideo Uruguay, South America. We hope together people from  
anywhere between the northern part of Mexico all the way to the southern tip of  
Argentina. This base will be like a launching pad, providing much needed training  
and equipping. Then they can fly to other nations  
and spread the gospel of Jesus Christ.

# Two training schools

## School of Missions

The school will be designed to give individuals who already have a relationship with God the opportunity to share it with others around the world. Our goal here is to prepare the willing servant to have more tools to take with them when sharing with the lost. We want people to be prepared with the truth.

## The English School

The purpose of this school will be to give some basic English skills to each student. The classes will be taught in a fun and interactive way. Each morning we will either have praise and worship or intercession. This is the best thing we can do to clear our minds for learning. Classes at the English School will be structured to teach the kind of English that helps them share their faith.

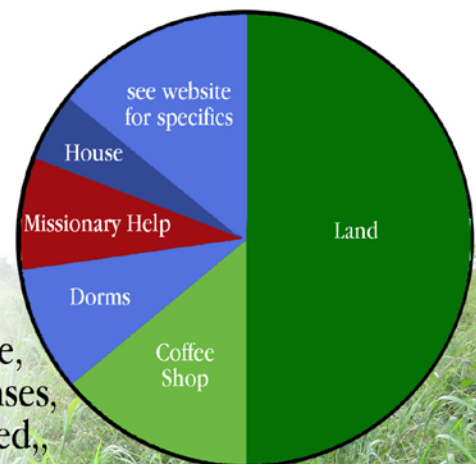

## Coffee Shop

Our envisioned coffee shop will not be your normal place to get coffee. The sole purpose will not be to sell drinks or food, but rather to share with people who come in. We want to reach people who wouldn't go to a church but would go to a coffee shop. This shop will have the ultimate passion of speaking life to people who don't have Jesus in their hearts. This is a ministry of Catapult missions.

## Expenses

Our total monthly living costs in Uruguay to support the schools and our family are estimated to be \$8,000.

This covers rent, food, transportation, power, phone, ministry outreach expenses, international travel expenses, administrative expenses, giving to missionaries in need, special speakers to the school, and funds to help catapult (send) out God's obedient people to the nations

**Bridging Pastor**  
**Faithbridge Church**

It has been my pleasure to know and work with Darin and Carolina Torbert for the last 4 years here at Faithbridge Church. I am very excited about the work they are doing with Catapult Ministries in the nation of Uruguay. They each have a deep love for the Lord Jesus and a strong desire to produce leaders for the global harvest. God has given them a great vision for training leaders and we are proud to partner with them in the work of the Kingdom.

**Generation One**

Darin Torbert spent well over a year serving as the Volunteer Coordinator of our faith based ministry serving the needs of the children and community of the 3rd Ward of Houston, Texas. He was a full time volunteer, worked with passion, and represented Jesus to the community. I have personally financially supported Darin's work in Uruguay and will continue to do so. I recommend that you support God's work through Darin in Uruguay as well.

**Pastor & Director**  
**Leading Way Ministries**

My wife Adriana and I have known Darin & Carolina for over 2 years and can vouch for their diligence to the call of the Lord in their lives. Having served in Uruguay with the ministry Youth With A Mission, they both gained valuable experience serving and living abroad. During that time they fell in love with the nation of Uruguay and the Uruguayan people and knew they were called to serve in that country for the purposes of world missions. The vision of Catapult Missions will impact not only Uruguay, but the gospel on a global level. As they prepare cross-cultural ministers to go out from Latin America to the nations with the Good News, you can be assured that they are "called for a time such as this."

**Ken Sinclair**  
**Pastor**  
**Faith Lutheran Church**

I have known Darin since he was in elementary school and had seen him grow in his faith long before that faith journey took him out of the country on a mission trip. Darin and Carolina's desire is to be led by God only. They are asking that you prayerfully ask the Lord about your support for the work that the Lord has called them to do. They know that the supply is His to give. If that supply is through you, I trust that you will be helping them plant a very inspired mission.

**Jon Weichbrodt**  
**Headmaster**  
**Providence Classical School**

Darin is not just a man of passionate words about God. He is a man of action as shown by his initiation of a short term mission trip to take high school students to Uruguay for the spring break of 2011. He developed this program from scratch and has spent countless hours planning, recruiting, presenting, and preparing for this trip. He has honed his teaching skills at Providence Classical School and will take them to Uruguay where he is starting a school in an area of great need.

**José Lopes de Souza**  
**YWAM Coordinator - Uruguay**

I have known Darin and Carolina Torbert since their first contact with our missionary base in Uruguay many years ago. They integrated quickly into the body of full-time missionaries taking on an important role: sharing with and encouraging people into the missions' field. Darin and Carolina are excellent people. They are the type of leaders that workers enjoy having in their team. They are extremely committed to listening to the voice of God and to doing His will. The Torberts have a vision focused on missions with a desire to fulfill the Great Commission of Jesus: To preach the gospel to every creature.

## Would you help us catapult people to the nations?

The money you give will be helping a person who is willing to serve the Lord receive further training. It will also give them the ability to travel to other countries and share the Jesus that is in their heart with others who have never heard his name.
