The purpose of this trip is to expose the team members to other cultures in order to deepen their faith, passion for the lost, and ultimately their relationship with Christ.

It is our desire to extend the heart and compassion of Providence Classical School and anyone who goes on this trip to go beyond the walls of their school or normal environment and into, not only another culture, but another continent. Incorporating the school's mission statement of "Training the students to impact our culture for Christ" will help facilitate this mission. Students will be utilizing their Spanish, English and Bible skills learned in school while reaching out to the local culture in Montevideo.

Our prayer is that this trip will allow the seeds that God has placed in your student's hearts for missions to grow and catch the fire. Without a doubt, they will never be the same!! Space is LIMITED!!! If you are interested, contact us.
