Fax 281/242-8749

December 14, 2010

Rev. Kenneth Sinclair  
Pastor

Dear Mission Partner,

Mrs. Elizabeth Pilcher  
Church Secretary  
Financial Secretary

I have known Darin since he was in elementary school and had seen him grow in his faith long before that faith journey took him out of the country on a mission trip. It was there that he met Carolina. From his perspective it was a God thing that he knew would come to be.

He had that same clarity about the next journey they started when, in 2005, they sold their things and started the process of moving to Uruguay in 2006 to work with a discipleship training school. They taught in the school, attended meetings and disciplined individuals.

Mrs. Bernice Spector  
Financial Ministry

They led two international teams outside of Uruguay to Bolivia and Brazil. Each was a 2 month outreach. In the year 2007, they went to Brazil to serve the very poor with the love of God. In 2008, Darin took a 'Teaching English as a Second Language' class, led bible studies and small groups. In 2009, he worked with Generation One in the third ward near downtown Houston. He was the volunteer coordinator for over 2,000 people who came to GO to be served; he would help connect the right people with the right job. He also coached a 10-12 year-old boy's basketball team, led a bible study and served as a role model to boys who had none.

Mrs. Carol Hawkins  
School Administrator  
281-242-4453

(Catapult Missions)

In 2010, he went to Uruguay and shared with 13 pastors the vision God had given them. He preached in 3 churches and spoke to others about the school they wanted to start. In July they went to Uruguay with their entire family and led a mini mission's school. The Lord blessed the seven students; people were very excited.

Leadership Team:  
Mr. Jesse Akande  
Dr. Paul Engeling  
Mr. Randy Simpson  
Mr. Jerry Thibeaux

In 2011, they are planning to move to Uruguay to plant the mission's school. Their desire is to be led by God only. They are asking that you prayerfully ask the Lord about your support for the work that the Lord has called them to do. They know that the supply is His to give. If that supply is through you, I trust that you will be helping them plant a very inspired mission.

Feel free to contact me.
