

November 10, 2010

To whom it may concern,

Darin is a man after God's heart. He Loves God and the things of God. He has a passion for the lost in this world to also know God. He is a fantastic role model for a husband and father. He has great character and integrity. He has great boldness and a strong faith to step out and do what God is calling him to do. It is an honor and a blessing to have Darin as my son.
